

REMARKS

In the Office Action of June 9, 2008, claims were objected to and rejected by several reasons.

In view of the objection and rejections, a proposed amendment was prepared and an interview was made based on the proposed amendment. As a result of the interview, it was deemed that the proposed amendment appears to overcome the prior of record.

Based on the interview, the formal amendment has been filed herewith, wherein the specification and the drawings have been amended to correct clerical errors and missing numerals. Claims have not been changed except for corrections as discussed in the interview.

The comments and advices at the interview by the Examiner and Supervisor are appreciated.

If any further amendment is required, please advise.

One month extension of time is hereby requested. A credit card authorization form in the amount of \$60.00 is attached herewith for the one month extension of time.

Respectfully submitted,
